

National Aquarium Box Lunch Information

In conjunction with our study of the ocean, we have planned a field trip to the National Aquarium on **Monday, December 17th, 2012**

We will be ordering box lunches from the aquarium's food service due to the fact that beverages and food are not permitted inside the aquarium. Attached is the box lunch order form that will need to be completed and returned to your child's homeroom teacher by **Wednesday, November 28th**.

***Students that do not return a box lunch order form by **Wednesday, November 28th** will be ordered two slices of cheese pizza, an apple, and a bottle of water.

Thanks,

Christine Hall
