

The Gymnastics Team

By Gordon & Bernice Korman

Kelly is awesome on uneven bars,
Brittany and Dawn are our two biggest stars.
Sandra's the queen of the floor exercise,
Dawn is real good at it too – big surprise!

Me? I have trouble just vaulting the horse.
All of the others can do it, of course.
Each time I fall like a rock from the beam,
They must all think, "How did **she** make this team?"

Well ...

Even though all of the others are great,
Only **my** mom has a van that seats eight.
Not even Dawn can be light on her feet
If no one gives her a ride to the meet!
