

# Peewee Soccer

By Robert Pottle

Christopher is counting clouds  
Hannah braids her hair.  
Peter's playing peekaboo.  
Greg growls like a bear.

Kevin kicks with all his might,  
And though the ball stays put,  
His sneaker sails across the field  
To land near Roger's foot.

Billy Brown is looking down.  
He sees a four-leaf clover.  
Billy wants to pick the plant  
And that's why he bends over.

We see the ball bounce off his bum  
And then sail toward the goal.  
The goalie gets confused.  
We watch him stop then drop and roll.

The other team lets out a cheer  
And our team starts to scream  
As Billy's bottom scores a goal  
For the other team.
