

Pick Me, Please

by Kalli Dakos

Teacher, Teacher, pick me, please!
I know! The name is Hercules!
Ask me, ask me, just this once
I'll prove to you I'm not a dunce.

My hand, my hand is waving high
Won't you catch it with your eye?
My heart, my heart is beating fast
Just waiting for you to ask ...

Me? you picked me?
Wow! Me!
The answer?
Um ... Uh ... ah ... ah ...
I think I think

I just forgot!
