

Maryland Science Center Field Trip Information

Dear Parents: In conjunction with our study of electricity, we have planned a field trip to the Maryland Science Center on **Tuesday, February 28th, 2017**

When we arrive to the Science Center, we will take part in a guided program beginning at 10:30 a.m. Students and parents will then be given the opportunity to view the “Power Up It’s Electrifying” exhibit, before lunch. Students can view other exhibits they were unable to visit before and after lunch. Lastly, students will experience an IMAX movie entitled “Forces of Nature”. Students and parents will meet at the back entrance at 2:15 (directly after the movie).

We will be departing for the Science Center from Forcey Christian School at 9:15 a.m. sharp, so we are requesting that all **students and chaperones arrive to school at 8:35-8:40 and meet in their classroom** in order to take attendance and get organized. Please be prompt, as we will need to leave on time due to a tight schedule. Students and chaperones not ready to leave school by 9:15 will be left behind.

Students and chaperones **MUST** bring a bag lunch and beverage. Students that order hot lunch will receive a bag lunch the day of the trip.

The cost of the trip will be \$8.00 for chaperones. Student costs have already been paid via your activity fee. **Parents will receive an email from Joanne Heater with instructions on how to sign-up and pay for the field trip.**

We are looking forward to an exciting trip!

Christine Hall

4th Grade Field Trip Permission Form

Where: **Maryland Science Center**
When: **Tuesday, February 28th, 2017**
How: **Bus**
Be at school by: **8:35-8:40**
